Month: _____

LIMIT

Refrigerated: 41°F or below

Frozen: 0°F or below, frozen solid

HOW TO CHECK

Refrigerated: put the probe in the middle of the package or the thickest part. Frozen: check the middle of a box.

OUT OF RANGE

Write whether you accepted it, and what you did under
Action taken — sent it back with the driver, for example.

[illegible]

Limits start from the FDA Food Code; your health department may set its own.
